

A Prayer for Mothers

Dear Savior,

*I thank you for the gift of faith
that sustains me, for the gift of
hope that inspires me, and the gift
of love that gives meaning to life.*

And so, dear Savior,

*I thank you for the gift of my
mother, the woman who
nurtured within me each of these
gifts. I offer this prayer as well
in honor of Mary, your Blessed
Mother. May she now smile upon
my beloved mother and upon all
mothers, the ones on earth and
those already in Heaven with you.*

Amen
